Experience

UI / UX Designer @ FreshWorks Studio Inc.

February 2018 - Present Victoria, BC

Worked closely with PM, Business Analysts, Developers and QAs to come up with design solutions for cross-industry clients.

Led the UX/UI design for 2 corporate websites, 3 web applications and 2 mobile applications, including

Harbour Air: redesigned the mobile application and website from the ground up. The mobile application was launched in November 2018, while the website was launched early 2019.

The Independent Investigations Office (IIO) of British Columbia : modernized the organization's website.

Hootsuite - Google My Business: designed the Google integration in the Hootsuite platform.

Intern, UX Designer @ SAP Canada Inc.

October 2016 - April 2017 Montreal, QC

Supported the SAP Cloud Custom and Development team in the design of the Retail Assortment Planning web application.

Worked with the SAP Fiori design system to solve enterprise application design problems.

Projects

Forgotten Highway @ Next Level Games Inc.
